# Undergraduate Application for Non-Degree-Seeking Admission

## 2009-2010

This application has been specifically designed for students who do not intend to complete a degree at Washington State University. Non-degree-seeking students are typically taking courses for personal enrichment, for professional development, or to transfer to another institution. Other reasons you may apply as a non-degree-seeking student include satisfaction of WSU graduate admission prerequisites, satisfaction of undergraduate certificate requirements, or completion of teaching education requirements.

As a non-degree-seeking student, you are not eligible for financial aid and must apply for regular admission status if you decide to pursue a degree at WSU. If you plan to attend Washington State University with an international student visa, you should use the International Student application. Please visit the international application at [www.apply.wsu.edu](http://www.apply.wsu.edu).
